Brian,

When and if our fax machines get in sync I am sending you the copies of thre

articles by Patricia Poleo giving a chronology of the events of th eweek of

April 11 and the plotting that proceeded it. It is probably not 100 percent

accurate - Carmona denies the connection to Isaac Perez Recao - but it should

be close and provides good background. Even if not completely

accurate her

account is widely believed here and is becoming a political

"fact".

Unfortunately there is as yet no electronic version - except for part 2

which I just sent to you by unclas e-mail.

Gary
